NEW DELHI: The Indian market is expected to open higher on Thursday tracking mixed trend seen in other Asian markets.

"Important support is at 8,350-8,320 and a move below this level trader should book profit from the existing long position as next support comes around 8,100-8,150. And market may move down till 8,100-8,200," Rohit Gadia, Founder & CEO, CapitalVia Global Research Ltd told ET Markets.com.
