When you are down or a loved one is unwell, the last thing you want on your mind is concerns about how to pay for the treatment. And that is exactly the whole purpose of purchasing health insurance. Not only does it save you from the stress of planning how to put together adequate funds, it ensures that the outflow of these funds does not burn a hole in your wallet. However, these benefits accrue only if you are aware of when and how you can claim your insurance and you follow the procedure correctly.
